

On This Side Of The Sun

By Phat

BONERS — Last week it was the turn of the Associated Press to blush while United Press men looked superior. Through an almost impossible error the A. P. set the nation agog with a false D-Day rumor, two days premature. . . . Recalls that classic boner of the U. P. on Nov. 7, 1917. Then they set the nation dancing with joy four days too soon with their PEACE flash. . . . The A. P. men looked down their noses at then pityingly. . . . Can remember that day well. For a week we had ready a big head cast in a plate screaming in eight-inch letters, eight columns wide, the word PEACE. When the flash came we slapped it on page one, with just enough of that false Brest bulletin to give it a semblance of a story, hit the street 30 minutes later and all hands laid off to celebrate. . . . Next morning there were headaches in U. P. ranks from more causes than one. . . . Four days later there was another celebration but in the intervening time I sneaked through alleys to go to work.

IN THE NAVY — Some weeks ago a girl told me she was going to enlist in the Waves because she thought their uniforms more becoming. . . . Now come Jim Maynard and Chuck Goff with the same idea only in reverse. They joined the Navy because they won't have to wear neckties. . . . But suppose they are assigned to the Marines? . . . The old question of who wakes up the bugler has been answered at last. According to the Mira Loma public relations man it is the corporal of the guard who stays up all night, anyway. . . . Lady, do you know why Nylons are so scarce? It's because it is the only material that will not rot overnight in the South Pacific area and it's going into uniforms, hammocks, soldier's socks, tooth brushes and rope. One coil of rope, the strongest there is, contains enough Nylon for several hundred pairs of hose.

THE VILLAGE — Under the new license fee on weighing machines, the machines cannot be placed on the sidewalks. That should boost their business. Many a woman now passes them by because she doesn't want passers-by to see how much she weighs. Put them inside and partly hidden and she won't be able to resist. . . . And, Mister, hide the little woman's bobby socks next week. Frank Sinatra'll be back. . . . Mrs. E. C. Boles, wrapping a coat about her as she walked up the drive last night remarked: "My, wasn't it a short summer." . . . Johnny Archibald of the P. S. Drug company, says that it can be four degrees hotter and five times as humid in some citrus belt town than it is here but just because this is the desert people go around saying: "My, isn't it hot!"

BLACK MARKETS — The OPA intimates the Black Market in gasoline is out of control and says the man behind the pump is to blame. I don't think so. I think the people who buy illegal gas, or any other rationed item illegally, are the guilty ones. . . . They do not stop to think that the five gallons they buy, added to the five gallons each of hundreds of other unthinking drivers are buying, daily siphon off two and one half million gallons of gasoline from the war effort. . . . The five gallons would probably make no difference but the two and one half million may mean that a lot of parent's sons won't get back. . . . And illegal gas buyers may be signing their own son's death warrant. . . . Why let a racketeer

Mutascio Sells Cafe Site, Hotel

Harry Mutascio, well known Villager who has been here for many years, this week sold the building and property, now under lease to the Dunes Cafe at 238 North Palm Canyon drive and the El Dorado hotel at 278 South Palm Canyon drive, to W. E. Dunn, prominent Los Angeles builder.

Mr. Dunn will operate the El Dorado hotel.

Mr. Mutascio built the hotel property several years ago and also operated Harry's Cafe at the Dunes site for many years.

He has other extensive property holdings in Palm Springs as well as his home and plans to remain a Villager.

Both deals, involving in excess of \$125,000, were made on the same day. Miss Muriel Fulton, prominent local realtor, handled the details.

Every Citizen of Palm Springs Drafted in Bond Drive

Mr. and Mrs. Palm Springs—and all you little Villagers, please note:

Tom Holland, chairman of the Fifth War Loan drive, sends greetings:

You Are Being Drafted.

Palm Springs faces a real test next week and for the three weeks after that. Uncle Sam has asked the Village to buy \$346,000 in war bonds between June 12 and July 8. The money thus loaned him will be expended to speed the end that began this week.

Ordinarily, this would be a mere practice workout for the Village. In the Fourth War Loan,

Uncle Sam asked Palm Springs for \$400,000—and got \$1,200,000.

But that was at the height of the season. The Village was full up. The schools were under way and the desert was full of troops and equipment with which to arouse enthusiasm and to show the people where their money was going.

But this is June. The Village is on the brink of summer. Schools are closed. The desert training area has accomplished its task and the soldiers and equipment which aroused so much patriotism that previous war loans were quickly oversubscribed, are gone. Scores of citizens who aided so willingly with their time and money are no longer here.

It is up to those who are left, said Chairman Holland.

"The boys on the beach-heads in France aren't letting us down. We can't—and won't—let them down. We'll establish our own beach-heads before the local agencies handling this bond issue and we'll put it over—put it over for the boys who are over there."

And to do this—every Villager, every man, woman and youngsters here is being drafted as a committee of one to sell himself a war bond. In that way, Palm Springs which never yet has failed, will not fail now, Mr. Holland concluded.

Dedicated to the GROWTH, DEVELOPMENT and CONSTANT IMPROVEMENT of AMERICA'S FOREMOST DESERT RESORT

Vol. XVII—No. 45

Friday, June 9, to Friday, June 16, 1944

Price Five Cents

Three Cuts Ordered in License Act

Juke Boxes And
Pin Ball Machines
Still Pay \$100

Council yielded in three phases of the coin machine licensing measure but stood pat on the items under heaviest fire—juke boxes and pin-ball machines.

Cigaret vending, weighing and beverage and food vending machines will be charged a \$6 annual license. Juke boxes and pin-ball machines and all other types of slot machines which are allowed, are still assessed at \$100 per machine per year.

THREE ITEMS CUT

Chairman Walter Allen of the council's finance committee, filed the committee's report which recommended the slash from the \$12 to \$6 on the food, beverage and weighing machines and the drop from \$25 to \$6 on cigarette machines.

At a recent meeting of council, operators of weighing and cigarette machines produced figures showing revenue from these machines.

Boyd Lead In Assembly Race Grows

The amazing scope of the victory scored by Philip L. Boyd, first mayor of Palm Springs and a leading figure in local civic affairs, was even broadened this week when County Clerk Gordon A. Pequignat announced final figures on the May 16 primary.

Mr. Boyd won the republican nomination with a total of 8269 votes to the combined total of 3553 for all of his opponents on the republican ticket, or 700 votes better than twice as much as all of them.

His majority on the democratic ballot was 68. He was given 4597 democratic votes to a total of 4527 for all of his democratic opponents combined. His plurality over his closest democratic opponent was 2071.

Village Girl Hurt In Painful Mishap At Eastern School

Mrs. Madge Holderman, public health nurse, received word this week that her daughter, Pat, Palm Springs high graduate, suffered a painful mishap at De Paul University, Indiana, where she is a student.

Miss Holderman slipped while running down a stairs and fell, fracturing her left leg.

But, the letter stated, she has the leg in a cast and is hobbling around to classes on crutches.

Re-Appoint Shannon to Defense Council

Mayor E. E. Theriault Wednesday night appointed Frank V. Shannon to succeed himself as Palm Springs representative on the Riverside county defense council.

Mr. Shannon is at present a member of the board and his term expires June 29. The reappointment, confirmed by council, is for one year.

June 17 Set For Opening Of City Pool

Frank W. Cutler
Again Donates
Private Plunge

A municipal swimming pool project, similar to that operated last year, will be opened here approximately June 17, it was decided by city council Wednesday night. Frank W. Cutler, former city councilman and prominent in affairs of the recreation commission, has again offered the use of his private pool at his estate, 348 Merito place an offer which was accepted with thanks by the council.

Recommendation of the council committee on boards and commissions that the municipal pool project be renewed this year was made by Councilman Maurice McCann.

NO REPORT ON PLAN

Councilman McCann also reported that no recommendation was ready on a study of an overall recreation program for the city.

The recreation commission submitted a budget of estimated receipts and expenses which showed anticipated deficit of \$369.50 for a three-month period. Last year the deficit, which the city

(Please Turn to Page 5)

Capt. Jack Downey Visitor In Village

Capt. John H. (Jack) Downey, prominent and popular Villager, right hand man to Warren Pinyne at the El Mirador in the days before the war, and now with the U. S. army in Alaska, was a Village visitor with his wife here this week.

Capt. Downey came down from the north on business connected with his duties in the army and seized the opportunity to spend a few days along the old beats in the Village.

Policeman Johnson Undergoes Operation

Policeman O. O. Johnson, who was taken to Riverside Community hospital last week for observation after becoming ill, was operated upon Monday and his appendix removed.

According to word from the hospital he is making satisfactory progress.

G. I. Combat Meal to Be Served Here Next Monday By Mira Loma QM Depot To Get Local Bond Drive Under Way

In order that a representative civic group of Palm Springs may be made more familiar with the various types of Army rations, Captain Jesse C. Bales, Public Relations Officer of the Mira Loma Quartermaster Depot, has arranged for a group to actually sample a G. I. combat meal on June 12 at 12:15 in the patio of the Palm Springs Hotel.

The following persons have been invited to attend: E. E. Theriault, mayor; Frank Shannon, president, Masonic club; Culver Nichols, Maurice McCann, Walter A. Allen, Clarence Hyde, Armand Turonnet, and C. P. Adams, city council members; Raymond Sorum, city manager; Guy Pinyne, city judge; Gordon Feekings, Chamber of Commerce; Walter Kofeldt, Chamber of Commerce; Fred Ingram, manager Bank of

WINS REWARD—Sgt. Earl B. Pinckard, U.S.M.C., son of Mr. and Mrs. R. S. Pinckard of Palm Springs, shown receiving Purple Heart award from Maj. Gen. Julian C. Smith, for wounds received in the Tarawa campaign.

Soldier Hurt In Fall From Canyon Rocks

Suffering a broken ankle in a seventy-five foot fall off the rocks above the Tahquitz Falls last Saturday, Cpl. Carl E. Marsh, of the 21st Ferrying Group, Ferrying Division, ATC, army air field here is resting comfortable at Torney hospital.

Cpl. Marsh and a companion, Pvt. Wallace E. Lane, were clambering up over the rocks when Marsh slipped and hurtled down to the rocks below. Upon examining the ankle, Pvt. Lane decided to leave Cpl. Marsh where he was and seek help.

He returned to Palm Springs where he phoned Torney Hospital and met stretcher bearers who returned to the scene of the accident and administered first aid.

Carrying Marsh down required close to four hours but through the skill of the men tending him he suffered a minimum of pain.

Village Youth Wins Purple Heart Award

Platoon Sergeant Earl B. Pinckard, son of Mr. and Mrs. Ryland S. Pinckard of 563 Calle de Rolph, was awarded the Purple Heart at ceremonies at a Pacific Marine base, according to word from the San Francisco United States Marine Base headquarters.

The presentation was made by Major General Julian C. Smith who commanded the second Marine division at Tarawa where the son of the Villagers was wounded in action.

TOLD LAST DECEMBER

Mr. and Mrs. Pinckard received word last December 3 from the Navy department that their son had been wounded in the Tarawa campaign. Almost at the same time they received a letter from him from a South Pacific base where he had been hospitalized, describing the Tarawa campaign as an "awfully tough battle."

Sgt. Pinckard enlisted in the U.S.M.C. in 1941 before the United States was precipitated into World War II.

SEES MUCH ACTION

He saw much action in the South Pacific war theater and went through the Guadalcanal campaign. In a letter sent to his sister here since being wounded, he sent several trophies taken from the Japanese.

The Pinckards have another son in the service, Edgar, who is in the Maritime Service.

Five More Villagers Enter Armed Service

Five more Villagers went into the armed forces of the nation today when Charles Goff, Jack Wilson, Vernon Ward, Jim Maynard and Walter Seaman reported for induction at the navy station in Los Angeles.

Plans for Big Drive Outlined by Holland

**Establish A Beachhead At The Bank Monday
Morning And Put This Thing Across Despite
Handicaps Ahead, Villagers Are Urged Today**

Monday is D-Day for Palm Springs.

On that day a beach-head will be established at the Bank of America, the Postoffice and at Lykken's department store and that beach-head will be extended and expanded until the Village obtains its objective—\$346,000 in bond sales in the Fifth War Loan drive which starts on that day.

Chairman Tom Holland, in charge of the campaign, this week drafted every man, woman and child in Palm Springs to put the drive across.

NEED ALL HELP

"We'll need every bit of help we can get," he said. "Our quota in this Fifth War Loan drive is \$346,000. That's only \$54,000 less than our quota in the Fourth Loan drive when the Village was full up."

"Then we had the troops from the desert, the motorized equipment from Palm Village for our parades to arouse enthusiasm, the aid of the school youngsters, the experience of dozens of able gentlemen who gave their time as well as their money."

NOT HERE NOW

"But the troops are no longer on the desert to stage our parades, the school youngsters who almost by themselves raised our full quota last time, are gone for the summer, the men who devoted so much of their time and energy to the drive are not here."

"We go into this Fifth War Loan drive with our facilities reduced more than 50 percent but our quota cut only 12 percent."

IT WILL BE DONE

"But it will be done," he said. Mr. Holland reviewed the Fourth Loan drive and recalled that Palm Springs was the first in the state to reach its quota, the first to double its quota and,

(Please Turn to Page 10)

Urge Winter Residents to Subscribe Here

Scores of letters were in the mails today to winter residents of Palm Springs scattered to the four corners of the nation, urging them to purchase at least a portion of their fifth war loan bonds through the Village agencies.

Faced with a quota almost as large as that of the Fourth War loan campaign which was staged when the Village was full up, owners of winter homes here and regular winter visitors were solicited via mail this week by a committee working under direction of Fred Ingram, manager of the Bank of America here.

Winter residents were asked to send their applications and checks to the local bank, designating the type of bonds desired, and they would be sent them.

A generous response was expected as in previous similar instances.

Mrs. Marguerite Boles and son, Larry, who spent the winter in the Village at the Tahquitz Inn, 124 East Arenas, have arrived in Tampa, Fla., where they will be with Lt. Maurice Boles, son of Mrs. E. Cary Boles, of the Inn.

Legion Post Maps Plans For Active Participation In Fifth War Loan Drive

The Owen B. Coffman Post of the American Legion will play a large part in the Fifth War Loan in raising Palm Springs' quota of \$346,000. Gordon Feekings, commander, said this week following a meeting of the Post at the Dugout at which plans for an active bond campaign were mapped.

Commander Feekings appointed Stanton Griffing chairman of a Legion committee to participate in the drive. Legion Posts throughout the United States have joined in the Fifth Loan campaign and southern California posts have established a \$20,000,000 goal. The local drive will be counted toward this goal and also toward the Village goal of \$346,000.

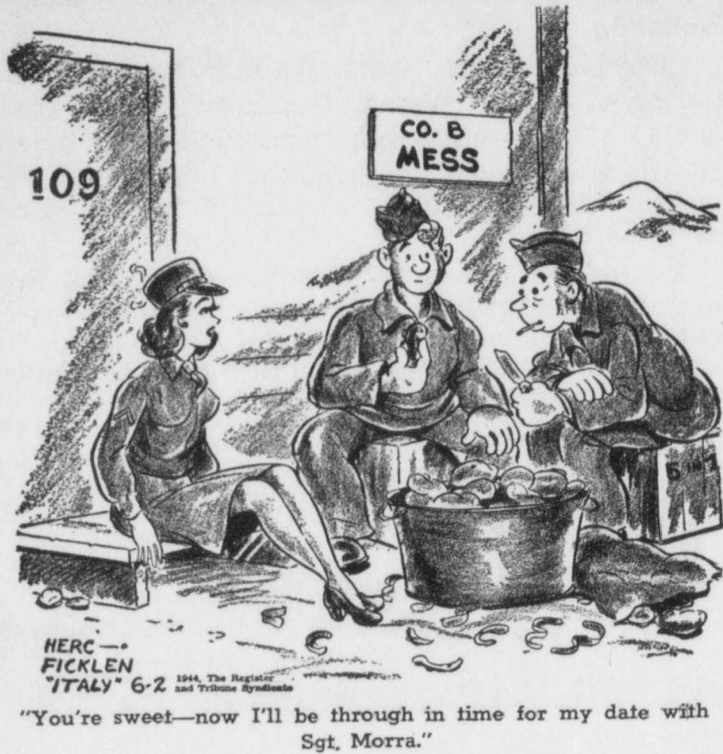

Commander Feekings urged all Legionnaires to contact either

Mr. Griffing, himself or Charles St. George, post adjutant, at once for active service in the campaign.

No local goal has been fixed and the post will strive for as much as possible. With 35 or 40 members taking part, Commander Feekings believes a very respectable showing will be made, helping the southland quota of \$20,000,000 as well as the Village goal of \$346,000.

YOU'RE IN THE ARMY NOW

By Maj. Herc Ficklen

Building Permits Continue to Soar During Past Week

June took up where May left off insofar as building was concerned and seven permits were issued last week, for a total valuation of \$5,265. Coupled with the final spurt in May, total building for the two weeks just past exceeded \$9,000.

This week's permits brought the total issued here so far this calendar year to 115 with a valuation of \$47,079.50.

Permits issued by the building department this week were to:

June 5—Natt McDougal, 271 Merito Place, addition, \$200; C. E. Cruncleton, 160 Prescott drive, repairs \$50; Robert Ransom, The Plaza, reroofing, \$3,000; Robert Ransom, Carnell building reroofing, \$600; Mrs. B. E. Curry 383 North Indian avenue, reroofing, \$365.

June 7—Mrs. Zaddie Bunker, 201 North Indian avenue, remodeling at Village Pharmacy, \$900; G. Z. Dague, 272 North Indian avenue, stucco existing building, \$150.

Lease On City Hall Site Is Renewed

City council Wednesday adopted a resolution extending its lease on the property at 363 North Palm Canyon drive, the city hall.

The lease was extended for one year on the same terms as heretofore.

Sorum to Confer With Sullivan On Windy Point Plan

The dangerous situation at Windy Point where several automobile accidents have occurred will be brought to the attention of I. Q. Sullivan, district engineer for the state highway department at an early date. Owing to the press of other matters and the lack of sufficient time, Mr. Sorum did not bring up the matter at last week's meeting of the Transportation and Highway committee of the southern section of the state chamber of commerce.

Mr. Sorum discussed the matter with A. C. Fulmer, county surveyor, enroute to the highway meeting.

The city manager said that possibly the danger of accidents at Windy Point could be reduced by appropriate warning signs. He said that if drivers know the road the turn is not at all dangerous but to drivers who are not familiar with the rise and curve, there is always the chance of an accident.

He said much of the time at the Los Angeles session was devoted to aerial transportation as it related to access roads to airports. Airway officials have pointed out that the weakest link in aerial travel is the time consumed between downtown centers and airports. On the San Diego-Los Angeles flight, for instance, the flight between San Diego and Los Angeles is made in less time than the trip between airports and city areas.

Dunbar Victor On Democratic Ticket By 9-Vote Margin

Nelson S. Dilworth of Hemet will face Frank O. Dunbar of San Jacinto on the ballot in the fall for the honor of representing the county in the state senate.

Dilworth won the republican nomination at the May 16 primary and Dunbar apparently had won the democratic nomination. But the absentee ballots which were counted Friday, gave Dilworth 61 to Dunbar's 31, narrowing the San Jacinto's margin on the democratic ballot considerably.

But he withstood Dilworth's "stretch run" and won the democratic nomination by a total of 4543 to Dilworth's 4534, a nine-vote margin, County Clerk Gordon A. Pequegnat announced Friday.

Dilworth won the republican nomination by a vote of 9224 to Dunbar's 2294.

According to the final count of primary ballots, Dilworth and Dunbar will fight it out at the November general election. The Dilworth-Dunbar contest will be the only one involving the local district as Philip L. Boyd won both the republican and democratic assembly nominations at the primary.

Three New Business Places Are Added

On recommendation of the planning commission, city council quickly acted Wednesday night to permit Elmer W. Shutte to operate a glass shop at 483 North Indian avenue, William E. Walters to operate a bakery in the Indian store, Indian avenue and Oscar Mandinach to conduct a plumbing office, 138 Andreas road.

Palm Springs High Courses In Accord With Best Theories

Mrs. Kathryn Martin, teacher of English and U. S. History in the local high school, received this week from the Institute of American History at Stanford University, a survey on the status of American History teaching in the public high schools of California.

Mrs. Martin had contributed information concerning the history offerings in the local high school in response to a request for information from the director of the Institute of American History, Dr. Edgar Eugene Robinson.

VILLAGE IN LINE

The history survey, which gives a virtually complete picture of the history teaching situation in California schools, since it covered history offerings for all high school students in the State, excepting a scattered 2% of high school youth, indicates that the local social studies offerings of U. S. History in a one-year course and World History in a year course, with an added requirement of one semester of Civics, are in line with the best-professional thinking concerning needs in the social science field for secondary school students.

California high school teachers of history believe, according to the survey, that U. S. History should be given a full year and that it should not be cut into shorter units and be combined with allied subjects such as literature, art and music. They believe that the year course in American history should be a formally organized body of subject matter. It is the consensus that the inclusion of the allied subjects greatly weakens the conventional course in American History. Inclusion within the required course of history of such objectives as orientation, vocational and educational counseling, and guidance has distracted the student from the vital objectives which continue to be the primary reason for the course in U. S. History, according to the report of the Institute.

MEET REQUIREMENTS

The Palm Springs social studies requirements, as approved jointly by the high school Board of Trustees and the high school faculty, seem to meet optimum requirements recommended by the Institute on a basis of history teacher judgments. These requirements are one year U. S. History, a year of World History, and the extra semester in Civics. Action suggested in the interest of improving history offerings in the high schools of California is crystallized in the following recommendations made in a recent bulletin issued by the Institute of American History.

LIST REQUIREMENTS

These requirements are:
1. Clarification of the entire social studies program from the elementary school through the high school. (A beginning in such effort has been made in the correlated social studies programs already in effect in certain junior high schools in California.)
2. Insistence upon professional training in subject matter of history on the part of those teachers who are assigned to teach the required course in American History and Government.
3. Re-emphasis upon the importance of history in the social studies curriculum.

Schuman Expands Recently Acquired Riverside Grill

Irwin Schuman, owner and operator of the Chi Chi restaurant and lounge here, who recently acquired the El Camino Grill on Seventh Street, Riverside, has since taken over two additional storerooms and revealed this week that extensive improvements will be made to the grill to convert it into a large and attractive restaurant.

Complete scheme of redecoration are involved in the large improvement program planned at the grill by the Palm Springs man.

A high class entertainment program is planned.

Take Action On Pact to Reimburse City

Action to reimburse the city for half of the cost incurred in the control room and civil defense activities was taken by council Wednesday night.

A resolution approving an agreement with the state department of finance to this effect was adopted.

Desert Involved In Film Actress' Plea For Divorce

Don't tell the Chamber of Commerce—but Joan Fontaine, Academy award winner, doesn't like the desert. Maybe that's putting it too bluntly. She likes the desert but it doesn't like her. She's allergic to sand and it gives her hay fever.

So Saturday she won a divorce from Brian Aherne, also a noted screen actor.

It seems, according to court testimony, that despite the fact that doctors told the star that she should not live on the desert as the dust would bring on an attack of hay fever, Aherne bought a ranch in this vicinity and insisted she live on it.

Besides the story of the sand and its effect on her, Miss Fontaine also testified that she was practically made to feel like a guest in her own home and that her husband's butler ran the house in his own way.

The divorce was granted by Judge Stanley Mosk after her testimony.

Mr. and Mrs. Bailey Leave For Summer

Mr. and Mrs. Arthur E. Bailey and family left this week for Lake Arrowhead where they will spend the summer months.

They plan to return to their home at Smoke Tree ranch in the fall.

Let's Remember Him on Sunday, June 18

There are so many things we can do for him on that day, just to let him know that we appreciate what he is doing.

We have been thinking about Father at Lykken's Department Store, so we have put in an especially choice stock of the things dear old Dad would like to have—things he might not buy for himself:

Men's fine neckwear, bill folds, initialed handkerchiefs, hosiery, sport shirts, swim trunks, and many other things. Just come in and browse around. You will find the style, color and size best suited for him.

AMERICAN HEROES

BY LEFF

Torpedoed at night, men of the Merchant Marine abandoned their fast-sinking ship. Frederick R. Zito, Cadet-Midshipman, left his lifeboat, climbed hand over hand up the falls to free a 250-pound fireman. Unable to loosen the ropes, he cut them free, then towed the entangled man until they were picked up by a lifeboat. His is heroism beyond the line of duty. That extra War Bond you buy may save a life!

U. S. Treasury Department

Health Agreement With County Renewed

On recommendation of City Manager Ray Sorum, city council Wednesday adopted a resolution renewing its pact with county board of supervisors and Dr. Warren A. Fox of the county health department, for health protection here.

Judge Pinney's New Office Now Official

Today it was City Treasurer Guy Pinney as well as Judge Guy Pinney.

Official certification of his appointment to the post to succeed John Sprague, resigned because of health reasons, was made by city council Wednesday.

Writer In Village to Complete Final Chapter of Book

The first weekend in June found them still coming to Palm Springs despite the fact that the coast was warming up after weeks of fog and rain. At the Palm Springs hotel they were full up and turning them away last weekend.

This week a group from Warner Brothers Studios, here to film scenes in this vicinity for Errol Flynn's latest movie, were at the Palm Springs hotel.

Other guests included Joris Ivens, writer, here to put the finishing touches on the final chapter of his latest works; Mr. and Mrs. Paul G. Morehead of Inglewood; Lt. and Mrs. J. McManus of Mojave; Mrs. Eugene Kelley and daughter, Kitty; Marian Michelle of Hollywood; William Prince, also of the film capital.

Mrs. J. H. Bracey and her mother, Mrs. W. H. Crites, were here enroute to Stoutsville, Ohio. With her husband, Capt. Bracey, the party was enroute east when the captain was taken ill and is now at Torney General hospital.

Foster Is Granted Permit For Dances

Application of Elmo C. Foster for a dance permit at the Tahquitz Creek cafe, 695 South Palm Canyon drive, was granted by city council this week. The permit specifies dances on June 9, 10 and 11.

Two New Softball Leagues to Start Later This Month

With the Interpost Softball League of the 21st Ferrying Group ending last week and the Palm Springs league due to end within a few days, plans for two more leagues were in formation today, R. H. Bennett, Field Club director, said today.

The leagues will be patterned on the same principal as used for the first two leagues — one composed of Ferrying Group teams and the other of teams from the air base, Torney Hospital and Village.

The Ferrying Group league, however, will be known as the National league under the new set up and the other loop as the American league.

The American league will play Tuesday and Thursday nights and the National, Monday, Wednesday and Friday nights.

Torney Sprinter Places Third in Coliseum Century

T/3 Frank Tripp, running for Torney General Hospital in the Coliseum Invitational track meet, held under auspices of the Olympic Games Committee, placed third in the servicemen's 100 yard dash at Los Angeles last Saturday.

Tripp was away fast and led the field for the first 50 yards. In the final 50, two Marines from San Diego pulled up and edged him out in the last yard. He had the satisfaction, however, of finishing ahead of two soldiers from March Field who had finished one-two ahead of him on the same strip in an AAU meet two weeks previous.

The time was 10.2 seconds, tying the servicemen's Coliseum record.

Fast L. A. Softball Team to Meet Base EMs Here Sunday

The Zamboango Monkeys of Los Angeles, winners of the Triple A softball loop there, will tangle with an All-Star team from 21st Ferrying Group Enlisted Men at the Field Club Sunday, it was announced today.

A double-header is on the schedule with the first game at 10 a. m. and the second at 2 p. m.

The 21st EMs bowed to the L. A. team in their first encounter in Los Angeles a few weeks ago.

1270th Guard Five Increases Margin

The 1270th Guard bowling quintet of the 21st Ferrying Group increased its lead in the Enlisted Men's loop by taking a 4-0 win from the 72nd squadron while their nearest rivals, the oPst Engineers, were taking 3 out of 4 points from the Officers' B team.

The 1270th recently reached the top in a tie with the Engineers then defeated them 3-1 to take a two-point lead which Monday night was extended to 3 points.

Torney Softballers to Meet Whitewater

The Torney General Hospital softball baseball team will tangle with the Whitewater team at the Field Club tonight, R. H. Bennett, Field Club director, announced.

Torney-Camp Haan Game Is Postponed

Hard ball baseball game between the Torney General Hospital team and the Camp Haan team, scheduled for Wednesday night at the Field Club, was cancelled at the request of the Camp Haan team.

Mr. and Mrs. Eugene V. Griffes plan to leave within a few days for their cabin on Balboa island where they will spend most of the summer, going to Hollywood later before returning to the Village next fall.

Of the passenger automobiles used on farms 30 per cent are at least 10 years old.

21st Enlisted Men Drop 2 But Coast Into Championship

Lightning DOES strike twice in the same place.

Torney General Hospital Officers softball team, the only team to erase the zero in the lost column of the 21st Ferrying Group Enlisted Men turned the trick again last week, defeating the league-leading 21st EMs 5 to 1 in a hot game.

But the 21st EMs had their revenge in the third game between the two teams winning this week 4 to 2 in a hot game. They put so much into defeating the Officers, however, that they lost to the Palm Springs Lions in their final game, 6 to 5. It was a thriller.

TITLE TO 21st EMS

In other games played in the Palm Springs Softball league during the week the Lions trimmed the Torney Enlisted Men 6 to 2.

The results clinched the championship for the 21st Ferrying Group EMs and gave the Lions a toe-hold on second place. The Lions still have the Torney Officers to play and if they win this have second place clinched. But if the Officers win the second place honor will either go to them or result in a tie between Officers and Lions. Torney Officers must meet 21st Ferrying Group Officers in one more game, the last of the schedule.

PANTALEO HIGH MAN

Batting honors in the Palm Springs league seem fairly safe for John Pantaleo of the 21st EMs. Out of 24 trips to the plate he has smacked out ten safeties for an average of .416. Second place seems the property of McNabb of the Torney Enlisted Men who has 9 hits in 24 times at bat for a .375 total and Cartwright of the 21st EMs has 8 hits out of 24 times at bat for an average of .333. These are the three top men and as they have completed their schedule, seem safe to remain there.

Standing of the loop with two games to go is:

	W	L	Pct.
21st Enlisted Men	9	3	.750
Lions Club	6	5	.545
Torney Officers	5	5	.500
Torney Enlist. Men	5	7	.416
21st Officers	3	8	.27

Domestic Quarrel Sends Woman to Hospital, Wounded

Jeffery Pinkard, 44, colored, paid a fine of \$100 in Judge Guy Pinney's court yesterday after pleading guilty to assault charges against him growing out of a domestic argument Monday afternoon which sent his wife, Melissa Pinkard, to the hospital with a stab wound in her left arm.

The wound was made with an ice pick but who wielded the pick was a matter of conjecture for a time.

Police were notified late Monday afternoon that Mrs. Pinkard had been taken to the hospital by Mrs. Nora Johnson and Officer Stephen Smith was sent to investigate. Mrs. Pinkard told him her husband had stabbed her with the ice pick after an argument but she didn't know what the argument was about.

Officer Smith later arrested Pinkard who claimed that his wife was holding the ice pick and that she stabbed herself during a scuffle when he tried to take it from her.

In court yesterday the more serious felony charge was withdrawn and Pinkard admitted the misdemeanor charge which was substituted and was fined.

The Pinkards and Johnsons live together. Mr. and Mrs. Pinkard are janitors at the Plaza apartments.

Plans For Active Year Outlined As Owen Coffman Post of Legion Receives New Charter, Maps Busy New Program

Plans for an active year were discussed by the American Legion in regular session Tuesday night at the Dugout with Commander Gordon Feelings presiding. Committees were named, an adjutant appointed and active participation in the Fifth War Loan drive mapped. The Post's new charter was received.

Principal business was the award of handsome Gold Star plaques to the parents of Lt. Owen Bayliss Coffman, Village youth who lost his life in aerial combat over Europe and for whom the local post is named. Past-Commander Arthur Wills was appointed a committee of one to make the presentations.

RECEIVE NEW CHARTER

The new chapter, re-naming the local post the Owen B. Coffman post was received and all members of the Palm Springs post in good standing as of May 29 are charter members of the Owen B. Coffman post.

Commander Feelings appointed Stanton Griffing chairman of the committee to handle the Fifth War Loan drive here (Story on Page One, columns 6 and 7) Charles St. George of Torney General Hospital was appointed post adjutant.

Members of the post stood at attention in silent prayer for their members and buddies who took part in the D-Day invasion of Europe.

PLAN BIG MEETING

It was announced that the next meeting of the Post would be a combination buffet dinner and swim and business meeting on June 27.

Reports on the Memorial Day exercises were heard and the post was gratified at the major interest shown and resolutions of thanks to Col. Richard D. Morgan, commanding officer of the 21st Ferrying Group and Lt. Col. George C. Pearson, chaplain at Torney General hospital for their part in the program.

Because few flags were displayed in the Village on Memorial

LeRoy Hooker to Return Next Week After Operation

LeRoy Hooker, well known Villager, who underwent an appendectomy at Loma Linda hospital a week ago Tuesday, is making satisfactory progress toward complete recovery, Mrs. Hooker reported yesterday.

He will probably be back in Palm Springs within a week and remain here a short time before the family departs for the summer months.

Day, the post voted to buy flags and holders and sell them to business men, installing the holders at a nominal fee. Commander Feelings also suggested appointment of a committee whose duty it would be to see that flags are displayed on holidays calling for a display of the colors.

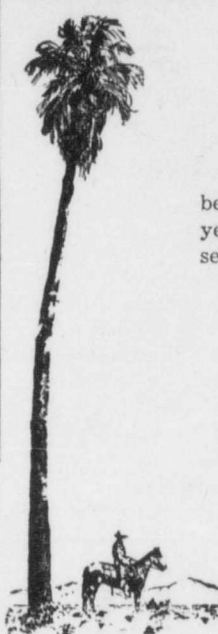

PROGRESS REPORTED

Reports were heard on the progress of plans for an American Legion clubhouse and members were gratified at the program made. The Dugout is still the mecca for scores of soldiers, it was reported, and the number of daily visitors is comparing favorably with the number last June, Dick Taylor, in charge of Dugout activities, reported.

Under the regulations, Commander Feelings presided at the meeting, his first since he was elected. Officers will be installed officially, however, next October at a big meeting at Indio. Commander Feelings succeeds Arthur Wills as Legion chief.

Cathedral City

By W. R. HILLERY

Whether orthodox prayers or a fervent hope that as many as possible of our boys be spared in France, occupied our community minds this past few days. It's the possible numbers involved that clutches our heart now. Otherwise, to die in the South Seas or in Italy, is just as tough. Out here on the desert right now we want to do something to help the boys. About the only thing open to us is furnishing the great quantity of supplies that will be necessary to carry through this campaign to a victorious end. A separate amount has not been assigned to our village in this bond quota but we should do our very best. Keep track of what we contribute to the Palm Springs quota. You who are away from the village; will you mail to your investment either to Edna Cobb, postmaster, or if you wish, to me. The bonds will be mailed to you. I always feel like apologizing for mention of the family name in this column but Robert Hillery did do an excellent job in the last drive and I am sure he will help out again. Don't wait for someone to call on you. Invest now, June 12 to July 8.

Judge Orfa Jean Shontz and Eve Woodruff, both prominent in official circles of Los Angeles, were guests over the weekend with Mrs. Ida Weeber. The ladies were here looking after their investment.

Here is where a social correspondent should do their stuff for last week about fifty friends met at the Desert Cove Ranch and surprised Mr. and Mrs. H. E. Peterson with just a wonderful evening to celebrate their fortieth wedding anniversary. All present signed the guest register after a most delightful evening. Incidentally their daughter, Mrs. Bud Kelly was present and it so happened the day was also Mrs. Kelly's birthday. In addition to the Kellys and Mr. and Mrs. Ide, another daughter, Mrs. Ruth Metz and daughter were here from Los Angeles. The Metz ranch adjoins the Peterson place.

And this week the Willard Price home was the scene of a buffet supper served in the moonlight on the sundeck of their desert home. A number of friends gathered just before dusk and inspected the landscaping of the Price grounds before repairing to the deck where a superb view of the desert was enjoyed while partaking of the good things prepared by Mrs. Price.

Mrs. Guy Kingsbury advises us that Mr. Kingsbury passed away in Long Beach recently. He had been teacher and principal in the Long Beach schools for many years and only recently retired. They came out to their desert home here but he felt too ill to remain and returned to their coast home. Our sympathy goes to Mrs. Kingsbury and her children.

Sidewinders are still numerous and one of them struck a pup in the mouth on one of the ranches near by. Dr. McRory was called and at last accounts the pup was reported in a fair way to recovery.

Before departing for a vacation, President James K. Wolseth has called a directors meeting of our village Chamber of Commerce to meet this Friday evening at Town Hall. Several matters are to be discussed, among them a proposal to have better transportation service between Cathedral City and Palm Springs beginning this fall. Another item for consideration will be the sanitary question. The service given us this past winter by W. T. W. Harris will be discontinued on the 19th of this month when each household will be on his own. Mr. W. C. Wilkes, despite the usual complaints, deserves much credit for pulling us through a very serious condition.

Will you turn to my ad for the flourishes.

MORE ABOUT . . .

This Side of Sun . . .

get rich if it is going to cost the life of some fine kid?

THIS AND THAT—Story I like best this week was told me yesterday—and by a democrat, too. A man was introducing the new deacon to his deaf dad. "New Dealer, eh?" said the father, cupping his ear. "No, No, dad, not new dealer, new deacon. He's the son of a bishop." "They all are," commented the father, thoughtfully. . . . Might be safer overseas—the FBI issues a report indicating that there are 27 murders a day in the USA . . . Show your flag next week—it's flag week. Flag Day is June 14 . . . There ought to be more flags showing in the Village, especially on holidays calling for their display.

ODDS AND ENDS—Dad is going to have his day a week from Sunday. The chairman of my committee on There Should be a Law, recommends that Father's Day be changed from the third Sunday in the month, to the first. That would give him more time between the day he gets his gift and the day he gets the bill for it. . . . Am anxiously awaiting the publishing of "Vivir y Amor," that new song written by Consuelo Valesquyes who at 25 wrote a song which topped the Hit Parade for some time, "Besame Mucho." Her new song will be ready soon. It means—I think—"Live and Love." . . . For the first time in weeks I don't have to take any comments on my musical taste from Mrs. G. My three favorites were one, two, three last Saturday.

LASTLY — And don't forget next Monday is our D-Day. Be in the front lines and be prepared to Dig. Besides being Dig-Day, it's also Do-Day.

YOU'RE IN THE ARMY NOW

By Capt. Herc Ficklen

(Base Photo)

THEY GET THE BEST—First Sergeant Burt O. Randall and Major John R. Hamilton, winning team in the Groucho Marx Quiz Contest at Orientation class last week, receive prize of Birthday Cake commemorating the third anniversary of the ATC from Groucho (minus his mustache). The cake had three long cigars instead of candles on it, and as Groucho said, "There's nothing too good for the ATC those are real Havana." The squadron will soon pick twenty of its members to fly down to the Douglas Aircraft plant in Long Beach for a tour of inspection, as the real prize for winning the contest.

Local Highway Signs to Be Put In Shape

Crews from the Automobile Club of Southern California are expected in the Village late this month repairing and replacing road signs. They will work highway 111 (Palm Canyon drive here) from Brawley to the junction north of the Village.

The crews will cover many highways in this area, starting at Alta Loma, near Ontario and working east to the state border then back on other routes to Pomona.

The local stretch will be covered on their return trip.

Even when a quarrel is ripe, don't pick it—let it drop.

Report of Annual Christian Science Meeting Received

Mrs. Eugene V. Griffes this week received copies of the report of the annual meeting of the First Church of Christ, Scientist, held at Boston on June 5.

While holding that "military might is essential to the victory of Allied nations over the anti-Christ claims of injustice and intolerance," the session was told that "freedom is essentially a spiritual gift to be realized only through spiritual understanding and attainment."

Thousands were at the meeting. Paul Stark Seeley of Cambridge, Mass., was appointed

20 Applicants Seek Airline Expansion

Approximately 20 applicants for expansion of air transportation to smaller Pacific coast cities, including six which involve Palm Springs, will present their stories at a Civil Aeronautics board hearing starting August 1, probably in Los Angeles, according to James G. Ray, vice-president of the Southwest Airways company, one of those seeking to include Palm Springs on their routes. The hearings will probably last three weeks.

president of the Mother Church for the ensuing year, succeeding Mrs. D. D. S. McKenzie.

Suspect Is Freed By Jurors Hearing Local Morals Case

Ralph E. Smith, Long Beach mail carrier, who came here for an outdoor vacation and became involved with the law on a morals count, was found not guilty by a jury in Justice R. A. Moore's court at Riverside last Friday night by a jury which had heard testimony in the case.

Smith had been accused on two counts in which youngsters attending one of the local schools figured. The jury found him innocent on both after a two-day trial. The verdict was returned at 8 p. m. Friday after the jury had received the case late in the day.

Miss Fulton Plans Important Changes In Her New Office

Muriel Fulton, well known Village realtor, today had received plans and sketches from Architect Albert Frey for the remodeling of her new office at 482 North Palm Canyon drive.

The partition which separated the two offices will be removed and three private conference rooms installed to the rear.

Miss Fulton, whose office will remain open all summer, said that business is maintaining a high level here with Village realty much in demand.

Miss Williams Weds Army Officer in Ceremony at Yuma

Miss Evelyn Williams, assistant to Earl Gray, owner of the Royal Palms hotel for the past few years, and sister of Mrs. Gray, became the bride recently of Lt. Chester R. Snickles at a ceremony performed in Yuma, Arizona.

Mrs. Earl Gray was hostess at a bridal shower for her sister at her apartments at the Royal Palms at which many guests were present to greet Mrs. Snickles. The lieutenant is now stationed at Camp Wollner, Texas.

Gordon Feekings returned to the Village this week from San Francisco where he spent a few days—and was glad to get back. He said it was too cold and foggy for him up there.

Gas Co. Offers to Test Gauges For Canning Customers

Since satisfactory canning results depend on the accuracy of the gauges on pressure cookers, Southern California gas company is now prepared to test these gauges for its customers, it was announced today by William P. Hand, division manager. It will be necessary to have the cookers brought into gas company offices by their owners, he said, as transportation and manpower shortages prohibit a pickup and delivery service. This service will be available on and after June 15.

The testing service is free of charge, and is being offered as the gas company's contribution to the national effort to stimulate home canning of foods.

Those wanting tests made are asked to bring their cookers to the nearest gas company office. Several days will be required to make the test, and the owners will be asked to pick up the tested appliance at the office.

Only cookers that are equipped with indicating dial gauges or slide gauges will be tested. Hand states that the gas company is unable to examine or test other devices on the cooker or its assembly parts, and cannot undertake to do any repair work.

Pay your telephone bill before the 30th and receive a discount.

A Statement

We have just sold the Russell Court on the corner of Glenn and A Streets. This sale is not included in the sales made by me in the fiscal year ending this June 30th.

During this fiscal year I have sold twenty parcels of land, improved and unimproved, all in Cathedral City, and at a total selling price of \$62,780.00.

Every buyer is satisfied.

24 Persons Mixed Up With Law Here In Month of May

Twenty-four persons ran afoul of the law in Palm Springs in May, Police Chief Lyle J. Sanard's report to city council Wednesday night revealed. Of these, 22 were arrested on misdemeanor counts and two on felony counts.

Violations of City Ordinance No. 6, relating to drunkenness, were the most numerous with nine calling on City Judge Pinney for this offense. Traffic citations were second with seven issued and violators of the rooming house ordinance trapped four.

FIVE QUIT TOWN

Eight women were among the 24 in the month during May and five more dodged arrest by moving out of town after police warnings.

In all, police investigated 195 complaints during the month including four petty theft cases, four reports of prowlers and one of burglary. They conducted six investigations for the FBI.

No automobiles were stolen but four bicycles were taken and later recovered.

TAPERING OFF

Police cars travelled 7,167 miles in May.

"Business is tapering off slightly," commented Chief Sanard. "We made 77 arrests in January, 63 in February, 48 in March, 36 in April and 24 in May."

"Or perhaps people are getting better."

Greyhound In Adv. Urges Enlistments In Medical Corps

"Serve with the Navy Medical Corps," urges Pacific Greyhound Lines in their current advertisement released in more than five hundred western newspapers. This is another advertisement in Pacific Greyhound's series in co-operation with the recruiting program of the armed forces, chiefly aimed at getting women to enlist in the various auxiliaries. Others were Seabees, Marines, Waves, and Wacs.

This latest advertisement features both the Navy Nurse Corps, open to trained nurses, and the Waves Hospital Corps which urgently needs other women to serve in the naval hospitals, clerical capacities, and as helpers in the wards, laboratories and pharmacies. Much of this work is now being done by male hospital corpsmen, and women can release these men for duty on the fighting fronts.

Said F. W. Ackerman, Vice President of Pacific Greyhound Lines: "Anyone who has been in the Navy, as I have, will appreciate the need for women in our military hospitals. I well remember the men nurses of the last war; they were well trained and capable enough, but our wounded fighters should have as far as possible the care of women nurses, and, furthermore, the men are urgently needed to serve on the battlefronts. Pacific Greyhound is happy to cooperate by means of this advertising with the recruiting of women for the armed forces. We look upon this advertising as a further extension of the transportation service we are providing for the Army and Navy."

The Germans must be chuckling over the clever trick they are playing on the Russians. They are making Stalin use up all his gunpowder to fire victory salutes. — Brubaker in The New Yorker.

ARMY ROMANCE—Cutting the cake at the Non Commissioned Officers club after the first all-post wedding at the 21st Ferrying Group army air base here are Pfc. Alvin "Pappy" Famularo and his bride, the former Sgt. Rozelle LeBrocq of Monroe, La. Left to right, in the wedding party are Mrs. Amy Nichols, mother of the bridegroom, Pfc. Famularo, Capt. R. J. Martin, post chaplain, Mrs. Famularo, Mrs. Will Thurman, First Lt. Alyce Nash, Wac detachment commanding officer, and Amerigo "Rocky" Zaccaria, best man. (Official USAAF Photo)

Army Wedding Climaxes Military Romance When Wac And Soldier, of 21st Ferrying Group, Plight Troth

The distinction of being the first enlisted couple to be wed at the Post Chapel of the 21st Ferrying Group, Ferrying Division, ATC, army air field at Palm Springs, Calif., went to Private First Class Alvin "Pappy" Famularo and Sergeant Rozelle LeBrocq when they became man and wife in true military style last Sunday.

In the absence of her parents, Mr. and Mrs. LeBrocq of Monroe, La., the bride was given in marriage by Col. Richard D. Morgan, commanding officer of the field. The wedding was performed by the Post Chaplain, Capt. Rowland J. Martin.

The wedding party consisted of Mrs. Amy Nichols, the bridegroom's mother, Cpl. Amerigo Zaccaria, best man, and 1st Lt. Alyce Nash, who was the bride's attendant and is the commanding officer of the WAC detachment here.

After the ceremony, the happy couple were placed in a jeep appropriately labeled and were escorted to a reception at the non-commissioned officers' club where a beautiful GI-baked cake was cut by the newlyweds.

The post band serenaded the happy married pair.

MORE ABOUT . . .

City Pool . . .

agreed to underwrite, was \$511.

The commission also recommended that the pool be open from June 17 to Sept. 17.

UNDER SORUM'S CARE

The project will be under supervision of City Manager Ray Sorum. The commission, in its recommendations, stipulated that the manager chosen must be a man acceptable to Mr. Cutler, owner of the property.

Mr. Cutler was present and spoke briefly, reviewing last year's successful operations and outlined the simple terms under which he was prepared to donate the use of his pool for a municipal project during the summer months.

MORE ABOUT . . .

License Act . . .

chines was insufficient to meet the higher taxes.

MACHINES PULLED OUT

Ordinance No. 146, adopted in April and effective May 18, amended No. 119 setting the \$100 fees on juke boxes and pin-ball machines. On the night before the machine went into effect all of the pin ball machines which never before had been licensed and the juke boxes on which no license had been paid, were moved out. Only those which had been licensed under the previous license law or those which were thought of sufficient value to warrant the payment of the higher rate, remained.

Several of the machines are expected to be returned July 1, start of the new fiscal year. One of the objections of operators to the new license act was the fact that fees were not pro-rated and that the full fee was charged for the period between May 18 and June 30.

Another important change in Ordinance No. 119, the city's licensing ordinance, was recommended by the finance committee. Under the 10 per cent discount allowable now if fees are paid before July 1, will be eliminated and a penalty of 10 per cent if bills are not paid by July 31, will be added.

No fees will be prorated and those required to pay them must pay the full amount and in advance.

"Under this amendment," said Mayor E. E. Theriault, "instead of a premium for those who pay, there will be a penalty for those who do not."

Ordinances amending No. 119 and No. 146 to meet the recommendations of the finance committee were introduced Wednesday by the council.

Mrs. Dudley Hears From Sons In Army

Mrs. Hettie Dudley of the Joshua Tree studio, has recently heard from her two sons who are in the service.

Corporal Ed Dudley is in England. He has been overseas since last November. Cadet Pilot Robert Dudley is in the air forces and in training at Jackson, Tenn.

MANPOWER LOSSES

Out of 54,000 persons killed in traffic accidents in the nation between Pearl Harbor and January, 1944, workers thus lost totaled 32,000. This is only 78 less persons than manpower fatality losses in battle for the same period.

type ships, tankers, or other craft, are turned over to the Army or the Navy, or to private operators, the names are changed.

At the start, it was customary to have a ceremony at each launching. You remember the story of the woman who was invited to christen a ship in the Kaiser yards. She complained she didn't see any ship ready to christen. "It's okeh, lady," said one of the workers. "You just start swinging, and there will be a ship there by the time the bottle hits." Sponsors are now selected in the yards and the arrangements made. Relatives of the workers are invited to participate. In the case of the TERRY E. STEPHENSON, an exception was made and Orange County was asked for suggestions for the launching.

Phillips Wins Two Party Nominations At May 16 Primary

According to announcement this week by County Clerk Gordon A. Pequegnat, Congressman John Phillips, 22nd California district representative in Washington, D. C., will not have to stage a campaign for re-election in November.

Congressman Phillips, unopposed on the Republican ticket, was given 29,237 votes in Riverside, Imperial and Orange counties.

On the Democratic ticket he received 12,467 votes to 12,115 for his opponent, James E. Walker, in the three counties in the district.

AMERICAN LEGION DUGOUT

By the Legion Observer

The American Legion Dugout is missing a good many friends these days—hostesses who have joined the summer migration to cooler spots, and service men who have been shipped out. Letters from these boys always please us, of course. Quoting from the latest one: "The people of Palm Springs should be commended for their effort in the Dugout much more than I or any service man can express in a letter to them. Each should have a pride in the work that is done there as it is the best place I have yet seen. . . . Thank you, Pvt. Kuska."

MANY NEWCOMERS

Many newcomers are finding their way to the Dugout these days, and to all of them, both hostesses and men we explain that there is much more to the picture than the very evident canteen, letter writing, reading and games. We are glad to give them a back stage glimpse, for we are justly proud of our checking facilities, information service, package wrapping and mailing, and mending. The men also come to us for the use of the shaving and first aid equipment, for bathing trunks and air mail stamps. When it comes to housing needs, our service could be more effective if the property owners who have rooms, and apartments that rent for \$60 or less would call the Dugout (6886) as soon as a vacancy occurs.

Our usual quietness was enlivened last week by a musical evening when Mrs. Holly Lash Visel brought her Chapel Choir in for a sing. The girls offered home-made cookies as well as music and were much enjoyed. (Note: They didn't really say out loud that the sad condition of the piano was enough to frighten away any real musicians, but we wondered what they thought. It will be a happy day for the Dugout when a new instrument can be obtained.)

GIFTS ACKNOWLEDGED

The generosity of our local residents has been evident in some very welcome gifts: Mrs. Daisy Whitney walked in one morning with a smoking-hot roast of beef and two jars of luncheon meat. The Peter Pan Shop sent cookies that made our cookie crock the center of attention all that evening. Thanks to the Do-Nut Shop for sending down two cartons of sherbet. The staff of the Wellwood Murray Memorial Library gave us not only extra copies of their recent fiction, but is helping us put in order our own little circulating library. Thinking of the practical, as well as the esthetic, Major E. W. Jones donated lumber for much-needed shelves and a framed desert scene for the Dugout walls. Mrs. John Holditch gave us some attractive tables, chairs and a desk to replace a few of our less desirable pieces. It is in thoughtfulness like the above—not to mention offers of hostessing—that Palm Springs supports its Service Men's Club.

East and West were connected by rail when the Union Pacific route between Omaha and Sacramento was completed 75 years ago.

We hear a great deal about the "average man," but little or nothing about the average woman—probably because there aren't any.—Grit.

Changes in Hours In Walk-Wash Bill To Be Voted Soon

Amendment to Ordinance No. 137, the "Walk-Wash" bill, was introduced at city council session Wednesday by Councilman Walter Allen. The amendment changes the hours during which washing of walks is permitted from 5 to 7 a. m. to 5 to 8 a. m.

The amendment was recommended at the previous session of city council by City Manager Ray Sorum.

Action Is Delayed On Plan to Curb Stray Dogs Here

Action on the proposal to establish a city pound, hire a dog-catcher and enact a stringent curb on stray dogs, was postponed by council Wednesday night when Chairman C. P. Adams of the general committee to which the matter has been referred, said its report was not yet ready.

Plaza Cleaners To Be Closed for Month Says Wills

Art Wills of the Plaza Cleaners announced this week that his establishment would be closed from July 15 to August 14 while he and the staff take a vacation.

Mr. Wills plans to go to Newport Beach for the month enjoying a rest and the ocean.

CHRISTIAN SCIENCE CHURCHES

"I am with thee, saith the Lord, to save thee." This quotation from Jeremiah will be the Golden Text in the Sunday Lesson-Sermon on "God the Preserver of Man" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

A Scriptural selection from Deuteronomy relates that "Moses called all Israel, and said unto them, . . . thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. . . . Then thou shalt say unto thy son, . . . the Lord commanded us to do all these statutes, to fear the Lord our God, for our good always, that he might preserve us alive, as it is at this day."

Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "Man was not created from a material basis, nor bidden to obey material laws which Spirit never made; his province is in spiritual statutes, in the higher law of Mind."

Prayers Said For Invasion Forces At Episcopal Church

Following pre-arranged plans, a day of prayer was observed at St. Paul's in the Desert, Episcopal church, Tuesday when news that D-Day had arrived, was flashed.

The services, conducted by the Rev. Robert M. Hogarth here, were a part of world wide services conducted by the Episcopalian church on invasion day at which prayers for the success of the Allied armies and the safety of Allied service men were said.

Dr. J. R. McCartney Writes Interesting Tale of Assembly

From Chicago comes word from Dr. J. R. McCartney, pastor of the Community church who is in the midwest metropolis to attend the General Assembly of the Presbyterian church. Dr. McCartney arrived in Chicago to attend all sessions of the Assembly.

He found delegates from every position of the nation at the sessions and missionaries from all over the world.
Headquarters and day time meetings were held in the Stevens hotel.

600 AT SESSIONS

"For a time this hostelry, 3000 rooms, was taken over by the military and the elegant furnishings auctioned off and scattered to the four corners of the world," he wrote The Sun. "But again it has been furnished and is under civilian auspices and packed every night."

There were about 600 of us registered there. It has been my privilege to attend this great gathering several times during my ministry as a delegate, and also frequently as an observer. "The strength of the great Presbyterian church is evident when one looks into the countenances of the strong and verile men, both ministerial and laymen, who are sent to this gathering."

COME FROM AFAR

"There were Indians from Alaska and Oklahoma and Washington."

"On the platform one evening sat 81 foreign missionaries. Many of them repatriated for the time of duration."

Eloquent speakers from Teheran and India told of world wide revolution taking place, even in the midst of global war.

"Whole nations losing faith in their former superstitious religions and because of the heroic work of Christian missions in all lands, with their ministry of rescue and healing, are turning to the Christian's Bible and the Christian way of life."

"Many high ranking chaplains of army and navy were present. The Presbyterian church has 600 chaplains. Already six have lost their lives. 33 are prisoners, one is missing."

"Commemorative services were held in honor of these brave men who move right up front with their men."

SEVEN-DAY SESSION

"One inspiring feature is the singing of the grand hymns of the church by this great body of men, all of whom have strong speaking and singing voices."

"The Assembly was in session for seven days. Rev. Lloyd Vance of Indianapolis was elected mod-

Episcopal Church Season Will End Sunday Morning

Final service of the 1943-44 season will be offered next Sunday at St. Paul's in the Desert, Episcopal church. Following next Sunday's service, the church will be closed for the summer months, to re-open on Sept. 17.

Next Sunday there will be two services, at 8 a. m., and at 11 a. m. Sunday, June 11, is the Day of St. Barnabas, the Apostle, and the Rev. Robert M. Hogarth, vicar, will preach on "The Summer of the Heart."

During the summer months, Rev. Hogarth will devote himself to work in the Newport Harbor area and his summer address will be 1137 Cedar avenue, Long Beach, 2.

"The telephone there is 666-233, in case anyone should want me in an emergency," he said.

Dr. David Sayres of Long Beach to Preach In Village

Dr. David B. Sayres of Long Beach will be the speaker next Sunday at the Community church in another extra meeting, it was announced today.

Regular services will prevail with Sunday School at 9:45 a. m., sermon at 11 a. m. and again at 7:30 p. m.

Baby Daughter Is Born to Wife of Major M. J. Hofmann

Word was received here this week of the birth of a baby daughter to Mrs. M. J. Hofmann, wife of Major Hofmann, formerly stationed at Camp Young.

Major and Mrs. Hofmann made their home in Cathedral City while he was stationed on the desert and both were well known and very popular in that community and here.

Major Hofmann is now stationed at Camp Flora, Mississippi.

The daughter, who has been named Susan, was born there.

erator and proved a wise and competent presiding officer.

"Sight-seeing about this city was reduced to a minimum for the reason that every commissioner is required to be in his seat and voting section all day. "Today I shall go about the city and see some of the sights. Last evening I was dinner guest of Mr. and Mrs. A. A. Zangerlee, winter guests at Palm Springs. "I find wide-spread interest and curiosity about our Village, but at the same time woeful ignorance that there is such a place."

Bernard In Village On Business Visit

Bernard of Hollywood, who is spending the summer at Balboa, was in town this week to look after the needs of his clients and to supervise the work of his assistants.

His studio, in The Plaza, will be open all summer and Bernard plans periodical trips to the Village to supervise the work.

Mrs. Bertha Unger Going to Ontario

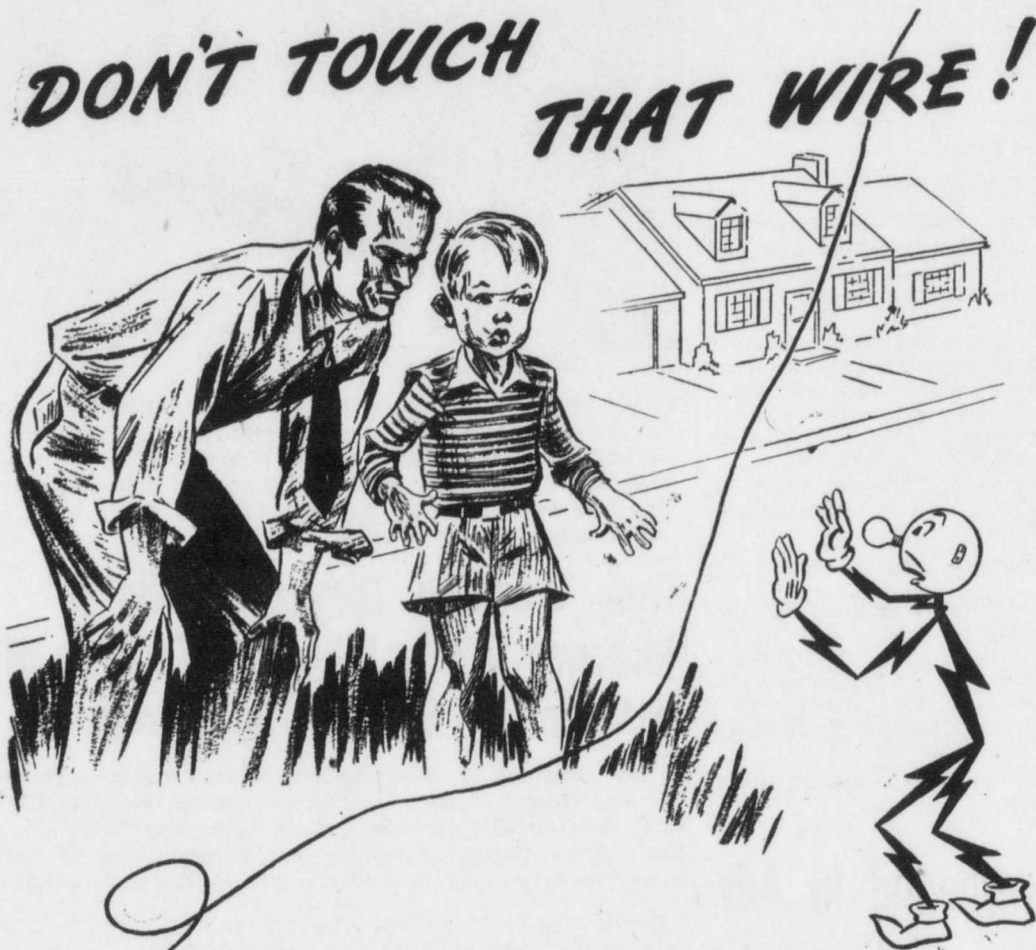

Mrs. Bertha Unger, 80-year-old mother of Arthur Unger editor of Variety who has been staying at the Pine Tree Lodge during the winter has left for San Antonio Heights, above Ontario where she will spend the summer. She will be back in the fall.

Pay your telephone bill before the 30th and receive a discount.

Levering Moores Leave For Summer

Mr. and Mrs. Levering Moore, prominent winter residents, left their home at Rancho Mirage yesterday for Los Angeles where they will spend the summer at the Rex Arms apartment-hotel on Wilshire boulevard.

They expect to be back early in the fall and Mrs. Moore may be here in July when, and if, the Smoke trees are in bloom.

Dangling wires are dangerous things.

They look innocent enough, yet may be packed with life-killing current.

Always let them alone for the power man to take care of.

Whether it's a wire on your own street, or a hundred miles from home, remember that electricity travels fast—and hits hard. And, you can't see it!

So, don't touch that wire, but report it at once. And, to prevent injury, or even worse, to others, please pass along this word of caution.

CALIFORNIA ELECTRIC POWER CO.

All But One Member of High School Faculty Staff For Coming Term Named; Latest Addition Is Mrs. Catherine Leps

Latest addition to the high school faculty is Mrs. Catherine M. Leps who will teach Home-making and Art for the school year 1944-45. The appointment of Mrs. Leps whose contract will be signed by the high school board of trustees at their regular June meeting, fills all vacancies on the local high school staff except one.

TWO RECENTLY ADDED

Two new teachers besides Mrs. Leps have been elected to high school teaching positions this spring. They are Alexander Hammond, who will teach Spanish, Oral Arts, and Chorus next year, and Miss Vashke Hronis. The latter will teach girls' physical education and world history. She will also serve as Dean of Girls.

Mrs. Leps is a graduate of the University of California at Los Angeles (1938) and she has done graduate work at the University of California at Berkeley. Her major subject for study at college was homemaking, and her minor field, art. She has had two years teaching experience in California high schools. Her husband is a Seabee. He has just recently been sent overseas for a period of two years.

SEVEN TO RETURN

Mrs. Leps is scheduled to have the homemaking classes for next year, also the art classes, and possibly one class in crafts. She will have technical supervision of the high school cafeteria.

Faculty members who have served previously in Palm Springs high and who are expected to return to their teaching positions in the fall are: Miss Margaret Brown, Wood Glover, Henry Greeley, Miss Mary Louise Gaylord, Mrs. Kathryn Martin, Paul Summers and Principal Ernest E. Oertel.

In time there is no present,
In eternity no future.
In eternity no past.

EDUCATOR—Mrs. Catherine Leps, newest addition to the Palm Springs high faculty. She will teach home-making and art.

Dr. I. W. Lynn Will Remain on Duty in Village All Summer

Dr. I. W. Lynn said this week that he will remain in the Village all summer and will maintain regular hours at his office, 419 North Palm Canyon drive.

So this summer Palm Springs will not be without a medical man.

He can be reached by telephone by dialing 6101.

The disposition to give a cup of cold water to a disciple, is a far nobler property than the finest intellect.—Howells.

Richard D. Heise Is Now Enrolled As Aviation Cadet

Richard D. Heise, 19, son of Mr. and Mrs. Paul Heise, is now enrolled as an aviation cadet in the pre-flight school at Maxwell Field, Ala., according to notice from that installation of the Army Air Forces command.

He will undergo nine weeks of intensive military, physical and academic training there.

Cadet Heise has been in the army since last summer.

He graduated from Palm Springs high in the class of '43 and was prominent in his high school days in student affairs.

John Bigham Back In Palm Springs On 15-Day Furlough

John Bigham, formerly connected with the Palm Springs Stage and Express company when it was operated by C. W. Crandall and who has been in the army for several months, arrived in the Village Monday to visit with his brother, Orville W. Bigham, and family.

He will be a guest at the home of Fireman Bigham the remainder of the week, on a 15-day furlough.

Cregar Plans Tour Of New Mexico to Buy for New Year

Mr. and Mrs. R. B. Cregar of the Indian Trading Post left last weekend for their summer home at 453 E. Badillo, Covina.

Later in the summer they plan a tour through New Mexico among the Indians there on a buying tour to replenish their stock for the coming fall and winter.

The Trading Post will be located in The Plaza next season.

Mr. and Mrs. John Chaffey and family have gone to Encinitas for the summer months.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs

By Pfc. Robert D. Price

USO-HOSPITAL UNIT SCORES WITH TORNEY

"Broadway came to the bedside" here last Monday May 29, when the second of the new USO-Camp Shows, Hospital Unit, visited TGH. The new circuit is fulfilling a greater objective (insofar as hospitals are concerned) than has any of its predecessors; this it is doing by providing entertainment for patients who are not physically capable of attending shows in the Post Theatre.

Monday's show offered some of the most novel talent yet presented at Torney and satisfaction reigned without interruption throughout the performances in the wards and theatre.

ATTENDS CONFERENCE

Lt. Col. E. T. Thompson, Torney Executive Officer, and Public Relations Officer, spoke this past week at the National Conference-Dinner Dance meeting of the Communications Corps of the United States.

The theme of Col. Thompson's talk was "Aspects of the Reconditioning Program." The dinner meeting was held at the Los Angeles Breakfast Club, Monday, May 29.

"WOMEN" SCORES HIT

Wednesday repair men were tightening the bolts in the Recreation Hall. Sunday the Rogues and Vagabonds, Inc., of Hollywood, presented "The Women." This could add up to only one thing. "The Women" tore down the house. Literally rocking the place with laughter, this theatrical gem, that has for years been regaling millions, descended upon the population of Torney and wrapped it up as its oyster.

An able cast, headed by Kay Linaker of stage and screen, Ellen Campbell of radio, and Norcen Gammill, well known radio actress, trouped their way through Clare Boothe's brittle lines to the thorough entertainment of everyone.

ALEXANDER GRAHAM CUPID

Pvt. Robert W. Kingery, aviation cadet, has Alexander Graham Bell's invention to thank for his long distance courtship. Kingery a former patient of Ward B-4, and now stationed at the Mill Creek Reconditioning Camp, called his girl friend each evening until she said "yes."

Doris Jo Foley, a former resident of Lindsay, Oklahoma, and now Mrs. Kingery of Redlands, California, was impressed by the courtship via wire and decided that two could live on the money being placed in the toll phone here at Torney.

United in marriage at Yuma, Arizona, May 26, the couple have been unable to have a phone installed in their Redlands residence.

Mrs. Stegman to Fly to New York to Greet Her Son

Mrs. Fanny Stegman of Midway's Jewels, widely known Village shop, said this week that her plans to remain open all summer had been abruptly changed by circumstances which she knew would meet with the approval of her many patrons.

She had barely finished her plans for an all-summer stay in the Village when she received word that her son was on his way home from overseas duty with the army and would be in New York. She at once made arrangements to fly back to the east coast to be with him.

As a result, her popular shop will be closed for about four weeks—and you can't blame her.

Health Center to Be Open Through Summer Is Report

Report of the final meeting of the year by the Welfare and Friendly Aid association and of the work done by the group at the Health Center was presented to city council Wednesday night in a communication from Mrs. Priscilla Chaffey.

Although the association has concluded its sessions for the summer, the Health Center board consisting of Mrs. Charles Burket, Mrs. James Oliver, Mrs. Cecil Isenagie, Mrs. Harold Hicks and Mrs. Ralph Clock, plans to meet in July and August.

OPEN ALL SUMMER

Mrs. Madge Holderman, public health nurse and ex-officio member of the board, will be at the Health Center throughout the summer with the exception of August and a nurse from the office of Dr. Warren A. Fox, county health officer, will take over that month.

The developing and dark rooms for the new X-Ray unit at the Health Center have been completed, the report detailed.

FINAL CLINIC SET

The final pre-natal clinic and child health conference for the season will be held June 26 and 27. There will be no clinics in July and August and they will be resumed in September.

The Welfare association recommended that Mrs. Isenagie, Mrs. Burket and Mrs. Cook, whose terms on the board expire, be re-appointed.

Favorable action on the recommendation was taken by Mayor E. Theriault and confirmed by the council.

Dr. Oertel Plans Trip North to See Mother in Seattle

Dr. E. E. Oertel, principal of Palm Springs high school, plans to leave the Village late next week and will go to Seattle to visit his mother there, stopping enroute at Auburn, California.

Upon his return from the north, he will go to his home in Alhambra to spend the summer months, returning to the Village periodically to attend to school affairs.

Mrs. Marian W. Keller, secretary, will be at the school throughout the summer except for the month of August when she will take her vacation. No attempt to maintain regular office hours will be made that month.

Mrs. Etta Foster Visiting In Texas

Mrs. Etta Y. Foster of 666 Vista de Oro, left Monday evening for Austin, Texas, where she will spend a month visiting relatives.

Her sons, Bill and Herbert H. Jr., are both in the service, Bill in the navy and stationed at San Diego, and Herbert in the air force and stationed in Mississippi.

Son of Local Army Officer At Basic Training School

Aviation Cadet Graham R. Schweickert, son of Col. G. R. Schweickert, of Torney General Hospital here, is enrolled in the class of cadets currently taking their basic flight instruction at the Independence, Kans., army air field.

A member of the newly arrived cadet class, he has successfully completed both the pre-flight and primary phases of the aviation cadet training program.

After nine weeks at the basic training school he will move on to an advanced training school.

Highest Prices For Market Foods For Week Listed

Highest legal asking prices at retail, which many merchants in some cities will be able to shade because of lower freight charges, were named today for the Palm Springs area by H. G. Sandberg, OPA food pricing specialist. These go into effect on Thursday and will continue through Wednesday, June 14. Six prices went up, four down.

Prices follow:

Lettuce (48-count, large), 14c head.
Lettuce (60-count, medium), 10c head.
Lettuce (72-count, small), 8c head.
Tomatoes (field grown), 16c lb.
Carrots (full tops, minimum net wt. 1 lb. per bunch), 9c bunch.
Carrots (clipped top, loose), 6½c lb.
Carrots (topped, loose), 6½c lb.
White cabbage, 2 lbs. 9c.
Red cabbage, 2 lbs. 14c.
Peas, 19c lb.
Potatoes (1943 crop), 5 lbs. 33c.
Potatoes (1944 crop), 5 lbs. 28c.
Spinach (sold by weight), 9c lb.
White dry onions (1944 crop), 3 lbs. 19c.
Red, yellow or brown dry onions (1944 crop), 3 lbs. 17c.
White dry pickling and boiling onions (1944 crop), 3 lbs. 27c.
Eggplant, 15½c lb.
Cucumbers (except hothouse), 14½c lb.
Sweet potatoes, 2 lbs. 37c.
Yams, 2 lbs. 37c.
Kentucky Wonder snap beans, 20c lb.
Yellow wax snap beans, 20c lb.
Oranges, Valencia & Navels, bought packed, 5 lbs. 54c.
Oranges, Valencia & Navels, bought loose, 5 lbs. 46c.
Lemons, bought packed, 5 lbs. 63c.
Lemons, bought loose, 5 lbs. 60c.
Bananas (in hands), 13c lb.
Apples, all varieties 1943 crop, 2 lbs. 25c.
Coconuts (in shell), 10c lb.
Strawberries, 34c basket.

The leading candidates' reluctance to take off their coats and get into the fight may be merely a result of the shortage of coat-hangers.—The Boston Globe.

The absentee problem in Berlin is acute. Every day a few more factories fail to show up for work.—Chicago Daily News.

Officers Making Colonial House Headquarters Now

The Colonial House is now host to many officers stationed at the 21st Ferrying Group base here since it was announced that the noted hotel would remain open during the summer to accommodate military men here.

Among those stationed there is Major John Cabell who next week takes as his bride, Mimi Chandler, motion picture actress and daughter of Sen. Albert E. 'Happy' Chandler of Kentucky. Miss Chandler has often been a visitor in the Village. The wedding will occur next week in Westwood.

Other officers now at the Colonial House are Captains Henry Nau, George and Tom Mee, Richardson, Anderson, Lieuts. A. Ziskin, Pennington, Pearlman and Weber.

But although it is the second week in June there are many other visitors at the Colonial House. Among them are Mr. and Mrs. S. Kaufman of New York, manufacturer of French watches and clocks, formerly of Paris but now located on Fifth avenue, New York; Mr. and Mrs. Sam Trinz of Chicago where Mr. Trinz is a well known theater operator; and Nicky Faierman, formerly owner of The Dunes cafe here.

Many inquiries are being received on reservations, some for the summer and many for next season.

Mr. and Mrs. S. F. Taylor have gone to Long Beach to spend the summer months.

Pay Telephone Bills before the 30th and receive your discount.

Rotary Club Aids Service Men At Torney Hospital

R. H. Bennett, assistant secretary of the Palm Springs Rotary club, wrote out two big checks this week.

One was for \$73.82 which the club spent for bathing trunks for military personnel at Torney General Hospital.

The other was for \$160 to aid in the reconditioning program at the hospital. Of this, \$150 was from the club treasury and the remainder, contributed by Frank V. Shannon, president of the Masonic club and former mayor.

It CAN happen here!

Good mechanics like ours are scarce, and there are only so many hours in a day.

So it helps if you make service appointments in advance.

Just call us, give us some idea of what your car needs and we'll set a

date and time when we can best do the work. That will save your time and let you plan better. Why not call right now?

Guard Your Car With Care!

Copies of the RIVERSIDE COUNTY DELINQUENT TAX LIST FOR 1944

Are Now Available at the Office of THE DESERT SUN

This service is provided through a co-operative arrangement between The Riverside News, publisher of the Tax List, and all other Riverside County newspapers outside the county seat.

All of the newspapers, including The Desert Sun, participated in its production.

Readers of The Desert Sun who are interested, may secure a copy of the Delinquent List, as long as they last, by calling at this office.

IT'S TEAMWORK THAT DOES IT

The 5th War Loan STARTS NEXT WEEK!

WHEREVER your invasion forces are fighting—at sea, in the air, on the ground—they're working together for victory. They know that they must depend on each other, for only by coordinated teamwork will they win through to final victory in the earliest possible time.

The Fifth War Loan starts next week. It's going to take teamwork—a lot of it—to put this drive over the top. For we've got a job to do. As the tempo of invasion rises every one of us must mobilize for support of our fighting men.

In every city, town and hamlet men and women like

yourself have banded together as War Bond Volunteer Workers, giving their time to taking your subscriptions for Bonds. Support them. Give them the kind of teamwork our boys are giving to each other on the fighting fronts!

When your Volunteer Worker calls, *double* your War Bond subscription. It's their job to help raise \$16 billions of money for victory during this Fifth drive, \$6 billions from individuals like yourself.

Make up your mind to welcome your Victory Volunteer with a friendly smile and an open checkbook—remembering that it's teamwork that does it!

Back the Attack! - BUY MORE THAN BEFORE

HERE'S WHAT UNCLE SAM OFFERS YOU IN THE FIFTH WAR LOAN

The "basket" of securities to be sold under the direction of the State War Finance Committees during the Fifth War Loan consists of eight individual issues.

These issues are designed to fit the investment needs of every person with money to invest.

THE OFFERING INCLUDES:

- ★ Series E, F and G Savings Bonds
- ★ Series C Savings Notes
- ★ 2½% Bonds of 1965-70
- ★ 2% Bonds of 1952-54
- ★ 1½% Notes, Series B of 1947
- ★ ½% Certificates of Indebtedness

Aviator, Stationed
At Base Here, Dies
In Eastern Crash

First Lieutenant David J. Davies, 22, pilot with the 21st Ferrying Group, Ferrying Division, ATC, at the Army Air Field here, crashed to his death Sunday near Pavia, Penn. while on a routine flight, according to an announcement made by Col. Richard D. Morgan, commanding officer of the 21st Ferrying Group. The young pilot was a recent transfer here from the Sixth Ferrying Group in Long Beach, Calif.

He is survived by his parents, Mr. and Mrs. Lemuel Davies of 1917 Norton Ave., Independence, Mo.

The man who does his work, any work, conscientiously, must always be in one sense a great man.—Mulock.

YOU'RE IN THE ARMY NOW

By Maj. Herc Ficklen

Major Ficklen's footnote: "This is a heck of a feeling!"

Chamber of Commerce Requests \$3500 Fund From City For Use In Spreading Lure And Fame of Village Far And Wide

First reading of an ordinance appropriating \$500 for the Chamber of Commerce to pay its share in the advertising campaign of the All-Year club was heard by city council Wednesday night. It will be up for final vote at the June 21 meeting of council.

Action followed reading of a communication from Walter Kofeldt, executive secretary of the Chamber of Commerce, outlining action of that body's board of directors at a recent meeting.

ASK PUBLICITY FUND

The directors asked the city council for an appropriation of

\$3500 for advertising purposes for the coming year, dividing the proposed publicity budget as follows:

Metropolitan Newspapers	\$500
All Year Club	\$500
Motion Picture Trade Journals	\$400
Medical Journal	\$150
Wall Street Journal	\$150
Hotel Greeters	\$ 50
Pacific Northwest Papers	\$500
Billboards and Radio	\$500
Folders, Booklets and City Maps	\$500
Miscellaneous	\$250

Mr. Kofeldt explained in his letter that this lay-out reached all classes desired, citing the Wall Street Journal for wealthy easterners, Medical Journal for health seekers, Motion Picture Trade papers for the movie people and the metropolitan papers in strategic spots.

BILL IS RUSHED

Mayor E. E. Theriault said that the only item which had to be decided at once was the contribution to the All-Year club and that an ordinance would be necessary for that purpose.

City Attorney Roy Colgate explained the state law which allows appropriations for advertising and publicity and following further discussion, the appropriation ordinance was read by Mrs. Louise McCarn, city clerk, and placed on the emergency file for vote before the end of the fiscal year, June 30.

Hit and Run Case Against Woman Is Ruled Insufficient

Hit and run charges against Mrs. Maryella Belle Case growing out of an accident at the entrance to The Plaza at Palm Canyon drive when her machine and a bicycle collided, were dismissed yesterday when aired before Judge Guy Pinney.

The evidence was deemed insufficient to hold Mrs. Case. Miss Margaret Stignon was injured in the accident.

Mr. and Mrs. Mennell Going to Big Bear

Burt and Rene Mennell, candy makers of much renown, have gone to Big Bear Lake for the summer. They will return in September to open their "Fun in the Sun" candy shop at 122 North Palm Canyon drive where they will feature the candies that have made them famous here.

Infant Daughter of Officer Is Summoned

Mary Anne Domonousky, infant daughter of Lt. and Mrs. George T. Domonousky, now of Palm Springs where the child's father is connected with a military installation, died Sunday here.

Mr. and Mrs. A. P. Bump of 450 Via Colusa, and son, Andy, are leaving this week for their summer home in Long Beach.

Portrait of the Week

By BERNARD of Hollywood

Comes now another young Villager as the Sun Siren of the week... Gloria Flavin... daughter of Mr. and Mrs. I. S. Flavin... Buy a Bomber Queen a year ago February when still a senior in Palm Springs high... graduated from there with Class of '43 last June... Native

of New York but doesn't remember much of Gotham having lived here for past 14 years... favorite sports a toss up between swimming and tennis... likes to dance... Queried as to romantic interests, said: "... not enough room in this space to list them all."

War Bonds...

so far as can be learned the only city in the nation to treble its quota.

The Village, in the Fourth Loan drive with a quota of \$400,000, subscribed \$1,200,000.

CAN'T STOP NOW

"We can't rest on our laurels new. The boys who invaded Africa, Sicily, Italy, and now, France, did not stop when they reached the beachheads. They went on and on, expanding and consolidating, never giving the enemy a chance to rest and re-form."

"We must do the same. Who knows, this may be the last drive. It may be the V-drive, the Victory drive."

"So I am calling on every Villager to volunteer. There will be no solicitation here as before. Every Villager is urged to go to the bank, to the postoffice, to Lykken's where a bond table will be maintained, and to buy, buy bonds, loan Uncle Sam their money to put this thing across."

PLAN HONOR ROLL

An Honor Roll of bond buyers will be published in The Sun each week. This Honor Roll will be in terms of buyers, not amounts. Mr. Holland hopes to see the name of every Villager and every winter resident on this list.

Cooperation of the army posts here—Torney General Hospital and the 21st Ferrying Group—is pledged.

At a Rotary club meeting Wednesday to which civic leaders were invited, Mr. Holland outlined the aims in the drive.

ARMY TO AID

At that meeting, Col. A. B. Jones of Torney, spoke briefly and introduced Capt. John D. Blauvelt, finance officer at the hospital who told of plans for the drive there. The band of the 21st Ferrying Group will play at several rallies.

Fred Ingram, manager of the Bank of America, told of letters being sent to every winter resident, now away, asking them to buy a goodly portion of their Fifth War Loan bonds here.

Commander Gordon Feeings outlined plans for the Legion's drive.

Other speakers were R. H. Gorham, postmaster; W. R. Hillery, Cathedral City; William Lippman of the ration board; Phil Delano of the Palm Springs Drug, who told of plans of the beverage dealers to aid in the drive, and George Strebe of the Palm Springs and Plaza theatres.

PREMIERES PLANNED

Mr. Strebe, who played a big role in the success of the Fourth Loan drive at the two theatres, plans an equally active role in this drive. Already two premieres are planned here, one to start the drive and the other, the Victory premiere at its successful conclusion.

"But—be there Monday morning. Me at the Bank of America at 10 o'clock. Establish a beachhead there. Buy bonds. There'll be a photographer there to photograph the throng on Palm

eral Hospital; Dr. Henry S. Reid, president Rotary Club; Charles Burket, president, Lions Club; Major Robert Ransom, Plaza Hotel; R. P. Graettinger, Desert Sun; Roy Colgate, city attorney; Roy Medby, Limelight News; R. M. Gorham, postmaster; and Tom Holland, Lykken's Dept. store; Lyle J. Sanard, police chief; Bill Leonosio, fire chief; Mrs. Louise McCarn, city clerk.

TO SHOW TYPES

The demonstration is designed to demonstrate the type of food that the soldiers receive when overseas. It will also prevent Mr. Senior America from hanging his head in shame when Johnny comes marching home (on a three-day pass). When he says, "AW, 'Pop,' haven't you learned yet what our 'C' or 'K' rations are?" You won't have to go and hide in the most convenient corner, because you don't know.

The answer is simple—according to the Public Relations Officer of the Mira Loma Quartermaster Depot.

OUTLINE RATIONS

Here is a list of the food your boy is getting:

A Rations are the freshest and best feeds obtainable, meats, fruits and vegetables. These are served to soldiers in the posts, camps and stations here in America.

B Rations are also the best meats, fruits and vegetables, obtainable, too. But they are canned and are for use of our men overseas, since it is difficult to transport and to serve fresh food in battle areas.

C Rations are combat rations. Light in weight, and pre-cooked, they can be carried in the soldier's haversack right into the front line trenches. They can be eaten either cold or warmed. Packaged in two tins for each meal, or six for the day, they contain meat and vegetable combinations, biscuits, soluble coffee, sugar, lemonade powder and bullion.

D Rations. An emergency ration that looks and tastes like a chocolate bar, but with sufficient nourishment for an entire day. It also contains sugar, oat flour, cocoa fat, skim milk and is fortified with Vitamin B1.

K Rations. Also emergency rations, they are prepared for paratroopers and ski troops. A miracle of compactness, an entire day's food weighs less than two pounds. The food is concentrated and may be eaten without being cooked. In addition to food, they each contain a stick of chewing gum and four cigarettes. They are packaged in waterproof cartons.

The occasion was arranged to coincide with the start of the Fifth War Bond drive. The Quartermaster Corps is responsible for feeding, clothing and equipping the entire army with about 70,000 different items. And it takes War Bonds to do the job.

Springs' D-Day. Be in that picture—and stay in the picture until the drive is won," urged Chairman Holland.

Capt. Bradsher Is Granted Change In Skeet Club Zoning

No protests being heard at a public hearing Wednesday night before city council, Ordinance No. 75, the city zoning law, will be amended to permit the establishment of a Skeet club on land Capt. Carl Bradsher has recently acquired south of Ramon road in section 19.

Capt. Bradsher whose Skeet club prior to his entry into the army, brought much fame to the Village and much favorable publicity throughout the world, was present to tell his story at the hearing.

Capt. Bradsher is now stationed at Santa Ana air base where he is in charge of the flexible gunnery school. He was formerly at the Kingman, Ariz., field.

The property where he formerly operated the club is now a part of the army air base and he acquired the new property to re-establish his club when the time arrived.

The planning commission recommended the change in the zoning law to permit establishment of the club and council set Wednesday night as date for hearing protests, if any. None being forthcoming, the amendment was introduced.

City to Receive \$2,573.45 Share On License Fees

Palm Springs' share in vehicle license fees collected by the state for the period from July 1, 1943, to March 31, 1944, is \$2,573.45, it was announced yesterday by Gordon H. Garland, director of motor vehicles. The allocation was based on the 1940 census figure of 3,434 at a rate of practically 75 cents per capita.

Allocation to the county was \$57,599.54.

Cathedral City Church Prays for Invasion Forces

Friends and members of the Cathedral City Community church gathered at the home of Mrs. Grace Earley Tuesday for prayer for the success of the invasion and divine guidance for the leaders of the allied land, sea and air forces. Services were conducted by J. Lawrence Thorup as acting pastor.

Mr. Thorup will preach every Sunday for the Community church which meets in the Town Hall. Sunday morning worship at 10:00 and community singing at 7:30. The public is cordially invited.

Major Paul Herbert Visitor In Village

Major Paul Herbert, who, when a lieutenant was first commander of the army air base here, was in the Village for a few days last week.

Major Herbert is now connected with the 6th Ferrying Group at Long Beach.

He is well known to scores of Villagers.

Errol Flynn Film Being "Shot" Here

"Objective Burma," starring Errol Flynn and featuring an all-male cast, will show local scenes when it reaches the screen.

Portions of this Warner Brothers film is being shot at the local army air base.

The cast is housed at the Del Tahquitz and Palm Springs hotels.

There's Always Something to Pay

There's always something. Now it's that \$5 federal use tax for automobiles.

It's due July 1 but may be purchased before hand at the post office.

If you don't have that new stamp for your windshield by that date there may be embarrassing questions asked by the internal revenue collector.

Ray Wilson Now On Staff of Sheriff

Ray Wilson, former sergeant at the local police office, who recently resigned his position to join the county sheriff's staff, Wednesday night assumed his new duties at the sheriff's sub-station at Indio.

Successor to Wilson on the local force where he has long been chief aide to Chief of Police Lyle J. Sanard, has not yet been chosen.

Our worth is determined by the good deeds we do, rather than by the fine emotions we feel.

Illick Builds Big New Container to Cool Off His Melons

Do you like your melons ice cold?

Walter Illick of the Rancho Park thinks you do and on Sunday his new 2,000 pound capacity melon tank, of concrete, steel and cork, will be ready to serve you ice-cold watermelon and cantaloupes.

Tables for melon parties will make it easy to eat on the spot. The melons come from Rancho park and Imperial Valley.

Illick is also featuring fresh produce daily from his own acreage.

Drivers' License Tests to Be Given Here June 15, 16

A representative of the state department of motor vehicles will be in Palm Springs next Thursday and Friday to conduct drivers' license examinations here. On this trip he will be at the Chamber of Commerce office, 310 North Palm Canyon drive, between the hours of 11 a. m. and 6 p. m. on Thursday, June 15, and from 8 a. m. to 1 p. m. on Friday, June 16, according to Judge Guy Pinney.

Oral tests will be given all drivers whose licenses have expired or are about to expire and driving tests will be given those who require it.

The previous tests have been given at the judge's chambers, 810 North Palm Canyon drive, but because the distance from the oral examination room to the street for drivers' tests is so great, the site was changed to the Chamber of Commerce building.

Goldbergs Acquire El Morocco Hotel From Dan Platkin

Abe and Esther Goldberg last Saturday took over the ownership and operation of the El Morocco hotel, having purchased the popular hostelry from Dan Platkin. Mr. and Mrs. Goldberg are already extensive property owners here and have added the El Morocco to their holdings because of their strong faith in the Village.

Mr. Platkin plans to leave the Village for the summer within a week and will go to Los Angeles where he owns a factory manufacturing women's purses. He may also go on another concert tour, having returned recently from San Francisco where he sang in many engagements.

Frank Sinatra Will Broadcast At Plaza

"The Voice" will broadcast from Palm Springs next week. Frank Sinatra's weekly broadcast next Wednesday night will be from the stage of the Plaza Theatre, it was announced yesterday.
